

OUR IN-HOUSE WORKSHOPS ARE A POPULAR CHOICE FOR HR TEAMS WHO WANT TO:

- Hear about different ways to deliver HR
- Learn about the latest HR trends
- Check their capabilities against what's needed now
- Kick start new projects or ways of working
- Design a new people strategy with a disruptive edge
- Create a different employee experience

We tailor each workshop to your individual needs but here's what a one day session might look like:

- Why HR needs disrupting (the mega trends you can't ignore)
- Your own disruption story (creating a compelling case for change)
- A new way of thinking about HR (our unique EACH model – Employees as adults, consumers and human beings)
- A fresh approach to: (clients typically choose 2 or 3 of the following)
 - Resourcing
 - Performance Mgmt
 - Leadership
 - Talent
 - Employment Policy
 - Induction
 - Reward
 - Engagement
 - Learning
 - Internal Comms
- User-centred design (using new techniques to create and deliver a new employee experience)
- Making change happen (applying agile product design and behavioural insights to have a positive impact)
